PROFESSIONAL EXPERIENCE

Brandlete, Inc. — Head of Partnerships / Co-Founder

Nov 2021 – Present

- Co-founded Brandlete, a modern A.I.-enabled athlete development platform helping sports programs create structure, accountability, communication, and year-round athlete engagement.
- Repositioned the company into a B2B platform focused on development planning, feedback, progress tracking, retention, and program alignment across athletes, coaches, parents, and leadership.
- Driving early-stage partnerships and pilot opportunities with clubs, coaches, and athletic organizations to establish product-market fit and build pipeline.
- Architected go-to-market and partnership strategy; secured \$10K in non-dilutive funding to support MVP launch.
- Recruited and assembled the founding team — sourcing, vetting, and onboarding early operators, advisors, and contributors.

MakeaCompany.ai — Head of Growth (Contract)

May 2026 – Present

- Own the growth engine end-to-end — positioning, messaging, demand, and the sales motion to signed customers.
- Run founder-led sales: live demos, discovery, close.
- Lead brand and category narrative across web, social, and stage to the right customers, partners, and talent.
- Build the GTM operating system: CRM, pipeline reviews, forecasting, attribution.
- Source and close strategic partnerships and channel relationships that compound reach without compounding headcount.
